President's Message
Changing the World with
International President
Dr. Patti Hill

Dear Lions,

Every journey begins with the first step. Changing the World begins with Lions taking that bold first step together. We have the power to make the world a better place. It's an incredible responsibility, one from which everyone benefits, including us.

I encourage you to take an important step by inviting new members to join us in service. More members mean more service and more ways to serve our communities. Real change is truly possible when we all join together and work toward a better world.

So, let's give others the opportunity to change the world with us as Lions.

Yours in service,

Dr. Patti Hill International President
